### REQUEST FOR AN ARCHITECTURAL DESIGN FOR THE MEDICAL LIBRARY

I am directed to invite all interested Architectural Firms to submit an Architectural Design for the proposed Medical Library for the Institute from which the Governing Board will select a design for the new Library.

The architectural brief is available in the Director of Administration's Office for collection by any interested Architectural Firm. It is expected that the proposed designs by the firms should be submitted to Director-General's Office.

Please note that, this extension will expire on Friday, 15<sup>th</sup> October, 2011.

Thank you for your anticipated co-operation.
